

2022 Triangle Girl of  
the year Honoree

# Madeline Holmes

.....

Diagnosed with B-Cell  
Acute Lymphoblastic  
Leukemia (ALL) on  
December 7th, 2019 and is  
now **done with treatment!**

.....

"Madeline started 7th grade  
and is happy to go and finally  
see her friends after 2 years  
away! Definitely looking  
forward to normalcy after  
cancer and quarantine."

-Brianne, mother
